Virtual Fall Harvest Fair Lite Schedule 2020

South Burnaby Garden Club

Virtual Fall Harvest Fair Lite Schedule 2020

For the first time in 119 years, the annual fall fair cannot be held as usual. Instead of horses and buggies or a parking lot full of cars, we will be celebrating and sharing our harvest virtually. Put a little imaginary straw in your hat, get out your cameras and cell phones and send photos of your bounty to share with others.

Unfortunately, some of our usual sections such as baking and preserves have been omitted for this year but we hope to be back with a full schedule in 2021!

Entries are open to all; you do not need an exhibitor number to participate.

Entries to be submitted by September 7th to be posted on our website.

Entries will not be judged, no Trophies, Awards or Ribbons will Be Awarded In 2020

Please send photos of your entries to: photos@southburnabygardenclub.ca
